Talk on Multiple Pathways to Tertiary Education

Dear Parents,

Secondary six students will progress to tertiary education after they complete secondary education. To increase students' and parents' understanding of the multiple pathways to tertiary education and enable them to make informed and appropriate choices, the Life Planning Department will organize the Multiple Pathways Talk on September 29, 2024 (Sunday) at 9:30 to 10:45 a.m. The talk will introduce the Joint University Programmes Admissions System (JUPAS) subject selection strategies, Principal's Nomination Scheme, and further studies on the mainland and in Taiwan.

All Secondary six students and parents **must attend** the talk. For updated information about multiple pathways, you may visit the Education Bureau's websites as follows:

- One-stop Portal on Articulation to Multiple Pathways: <https://amp.edb.edcity.hk/en/beyonds6.php>
- Designated Webpage for S6 Students: <https://s6.edb.edcity.hk/en/index.php>

For enquiries, please contact your form teacher.
