

3C Tong Wing Sum, Ava

Music Day is on the twenty-seventh of November.

Mandy and Sam want to join Music Day because they like music. Mandy can sing beautiful songs. Sam can play the guitar. They feel excited.

On Music Day, Mandy is sick. She can't sing. She feels sad because she cannot enjoy singing with Sam.

In the end, a doctor comes to help Mandy. She takes her to rest. She can sing in the end. She feels happy.

What a wonderful day!
