Matthew saw many beautiful cakes. There were a strawberry cake and a chocolate cake. The strawberry cake was eighty dollars. The chocolate cake was one hundred dollars. The strawberry cake was cheaper than the chocolate cake.

Matthew thought the cakes were delicious. He wanted to buy the chocolate cake because it was beautiful and his mum likes chocolate.

He couldn't pay for the cake. because he forgot to bring his wallet. He felt worry. He said sorry to the shopkeeper, and ask the shopkeeper to keep chocolate cake for him. 'OK!' the shopkeeper replied.

In the end, Matthew went home to take the money and returned to the cake shop. Finally, he bought the birthday cake and Mum felt happy.
