Now as the final chapter of my primary years is coming to an end,
I would like to say some special words to my teachers and my friends.
I will never forget all the joyful and warm experiences that I treasure.
To have experienced them all with you was an honor and a pleasure.

5

I would like to say thank you to Mr Brown for teaching English to me.

He was very patient and kind, although I was sometimes lazy.

When I was in P5, I didn't do well — I almost failed my test.

But the following year, with plenty of help, I scored high and became the best.

I would like to thank Miss Chan for teaching me to know right from wrong.

10

I am sorry for not listening to you at the theatre in Kwai Fong.

I will never forget the school trip with my classmates to Ocean Park.

All the Halloween monsters looked so scary hiding in the dark.

But most of all I want to give special thanks to my loyal friends.

They were always there for me, and encouraged me to keep trying to the very end.
